## **Independent Auditor's Report**

To the Board of Directors  
Community-Word Project, Inc.  
New York, New York

### **Opinion**

We have audited the financial statements of Community-Word Project, Inc. (the "Organization"), which comprise the statements of financial position as of June 30, 2025 and 2024, the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with Those Charged with Governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# Community-Word Project, Inc.

## Notes to Financial Statements

Years Ended June 30, 2025 and 2024

### Note 1 - Summary of Significant Accounting Policies

#### a. Nature of Business

Community-Word Project, Inc. ("CWP" or the "Organization") is located in New York, NY and was founded in July 1997 as a fiscal conduit and became its own 501(c)(3) in July of 2000, to promote the use of creative writing and arts methods to develop and expand literacy, communication, and technological skills of underserved youth, as well as to foster their self-esteem and leadership skills.

#### b. Basis of Presentation and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

#### c. Net Asset Presentation

In accordance with the Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") Topic 958, *Not-for-Profit Entities*, net assets, revenues, gains, and losses are presented based upon the existence or absence of donor-imposed restrictions. Accordingly, the net assets of CWP and the changes therein are classified and reported as follows:

- *Net Assets Without Donor Restrictions* - This class consists of net assets that are not restricted by donor-imposed stipulations and available for use in general operations, including net assets that have been designated by management or the Board of Trustees for expenditure on specific purposes or projects.
- *Net Assets With Donor Restrictions* - This class consists of net assets resulting from *contributions* and other inflows of assets whose use by CWP is limited by donor-imposed stipulations. Some donor-imposed stipulations are temporary in nature, such as those that are met by the passage of time or can be fulfilled and removed by actions of CWP. Other donor-imposed stipulations are perpetual in nature, where the assets must be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose has been fulfilled, or both.

#### d. Cash and Cash Equivalents

The Organization considers all short-term, highly liquid investments with maturities of three months or less to be cash equivalents.

#### e. Investments

Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at fair value based on quoted prices in active markets (national securities exchanges) for identical assets, with gains and losses included in the statements of activities.

# Community-Word Project, Inc.

## Notes to Financial Statements

Years Ended June 30, 2025 and 2024

### Note 1 - Summary of Significant Accounting Policies - Continued

#### *e. Investments - Continued*

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Investment income (loss) includes the Organization's gains and losses of investments bought and sold as well as held during the year.

#### *f. Accounts and Contributions Receivable*

Accounts receivable consist of grant receivables, unconditional promises to give, and program fees due to the Organization. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at fair value, estimated using present value technique. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are reached. Discount amortization is included in contribution revenue. Conditional promises to give are not included as support until the conditions are met.

The Organization applies ASC topic 326 - *Financial Instruments - Credit Losses*. Financial assets, which potentially subject the Organization to credit losses, consist primarily of accounts receivable. Expected losses are recorded to an allowance for credit losses valuation account that is net against the corresponding asset to present the net amount expected to be collected on the financial asset. The credit loss allowance is determined through analysis of the financial assets and assessments of risk that are based on historical trends and evaluation of the impact of current and projected economic conditions.

Based on the analysis performed on the open accounts receivable aging and detail analysis of the customers, the Organization's allowance for credit losses was \$779 as of June 30, 2025 and 2024. The impact of the adoption was not considered material to the financial statements and primarily results in new/enhanced disclosures only.

#### *g. Property and Equipment*

Equipment is stated at cost or fair value at the date of donation, with respect to donated items, less accumulated depreciation. Purchases of property and equipment with a cost in excess of \$2,500 and an estimated useful life exceeding two years are capitalized. Depreciation is calculated using the straight-line method based upon an estimated life of five years for computer equipment and software. Gains and losses resulting from the retirement of fixed assets are included within unrestricted net assets in the statements of activities.

#### *h. Fair Value*

The Organization applies ASC Topic 820 for fair value measurements and disclosures when measuring fair value. The three levels of the fair value hierarchy are as follows:

Level 1: Quoted prices for identical assets and liabilities traded in active exchange markets, such as the New York Stock Exchange.

Level 2: Observable inputs other than Level 1 including quoted prices for similar assets or liabilities, quoted prices in less active markets, or other observable inputs that can be corroborated by observable market data.

# Community-Word Project, Inc.

## Notes to Financial Statements

Years Ended June 30, 2025 and 2024

### Note 1 - Summary of Significant Accounting Policies - Continued

#### *h. Fair Value - Continued*

Level 3: Unobservable inputs supported by little or no market activity for financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation; also includes observable inputs for nonbinding single dealer quotes not corroborated by observable market data.

#### *i. Board Designated Net Assets*

Included in net assets without donor restriction as of June 30, 2025, and 2024 are \$465,365 of board designated net assets which have been designated for general use at the discretion of the board.

#### *j. Revenue and Support Recognition*

The Organization derives its revenue and other support from grants and program service fees. Additionally, the Organization receives support from fundraising activities, such as special events and contributions. Under FASB ASC Topic 606, revenue is recognized when performance obligations to a customer are satisfied, and revenue is earned. The Organization also applies the guidance under FASB ASC Topic 958 - *Non-Profit Entities* to recognize support received that is not subject to revenue recognition under FASB ASC Topic 606.

#### Program fees

Program fees are recognized in accordance with FASB ASC Topic 606, whereas the Organization has contracts with schools to provide approved services (performance obligations) to students. The Organization recognizes revenue in the period in which obligations to provide services are satisfied. As services are provided to consumers, CWP recognizes revenue, resulting in revenue recognized over time.

#### Fundraising

Fundraising revenue is comprised of payments received from third parties (individuals, corporations, and foundations) to support and/or attend fundraising events. The amount paid by individuals, corporations, and foundations that is above the value of goods or services received is considered a contribution which follows guidance under FASB ASC 958. The amount paid for the value of goods and services is recognized under FASB ASC 606 and is recognized at the time the fundraising event occurs.

#### Contributions

Contributions are recognized in accordance with FASB ASC 958. Contributions received and unconditional promises to give are measured at their fair market values and are reported as an increase in net assets. Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. It is CWP's policy to report as unrestricted support contributions with donor-imposed restrictions when these restrictions are met in the same year that the contributions are received.

# Community-Word Project, Inc.

## Notes to Financial Statements

Years Ended June 30, 2025 and 2024

### Note 1 - Summary of Significant Accounting Policies - Continued

#### *j. Revenue and Support Recognition - Continued*

##### Contributions - Continued

Gifts of goods and equipment are reported as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. In the absence of explicit donor stipulations about how long those long-lived assets must be maintained, CWP reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

The Organization recognizes in-kind services in accordance with applicable accounting standards if the services received (a) create or enhance non-financial assets or (b) require specialized skills, and are provided by individuals possessing those skills, and will typically need to be purchased if not provided by donation.

#### *k. Special Events*

Revenues and expenses incurred relative to special events are recognized upon occurrence of the respective event. Revenues are shown net of costs of direct benefits to donors. The amount paid by individuals, corporations, and foundations that is above the value of goods or services received is considered a contribution which follows guidance under FASB ASC 958. The amount paid for the value of goods and services is recognized under FASB ASC 606 and is recognized at the time the fundraising event occurs. The costs of direct benefits to donors were \$38,446 and \$24,839 for the years ended June 30, 2025 and 2024.

#### *l. Functional Allocation of Expenses*

Expenses by function have been classified as program and supporting service expenses based on direct expenditures incurred. Any expenditures not directly chargeable (indirect expenses) such as rent, professional fees, and office supplies, are allocated on the basis of time records as determined by the Organization's management. Management and general expenses include those expenses that are not directly identifiable with any other specific function, but to provide for the overall support and direction of the Organization. Salaries were allocated using time and effort as the basis. The following expenses were allocated using the salary allocation as the basis:

- Payroll taxes and benefits
- Office expenses
- Occupancy
- Insurance
- Depreciation

All other expenses have been charged directly to the applicable program or supporting services.

# Community-Word Project, Inc.

## Notes to Financial Statements

Years Ended June 30, 2025 and 2024

### Note 1 - Summary of Significant Accounting Policies - Continued

#### *m. Income Taxes*

CWP is exempt from federal and state income taxes under the Internal Revenue Code, Section 501(c)(3). Accordingly, no provision for income taxes has been reflected in the accompanying financial statements.

CWP recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that CWP has no uncertain tax positions that would require financial statement recognition or disclosure.

#### *n. Leases*

The Organization applies ASC Topic 842 ("ASC 842"). ASC 842 requires lessees to recognize most leases on their statement of financial position as a right-of-use ("ROU") asset representing the right to use an underlying asset and a lease liability representing the obligation to make lease payments over the lease term, measured on a discounted basis. ASC 842 also requires additional disclosure of key quantitative and qualitative information for leasing arrangements. ASC 842 retains a distinction between finance leases and operating leases, with classification affecting the pattern of expense recognition in the statement of income.

The Organization made an accounting policy election available under ASC Topic 842 not to recognize ROU assets and lease liabilities for leases with a term of 12 months or less. For all other leases, ROU assets and lease liabilities are measured based on the present value of future lease payments over the lease term at the commencement date of the lease. The ROU assets also include any initial direct costs incurred and lease payments made at or before the commencement date and are reduced by any lease incentives. To determine the present value of lease payments, the Organization made an accounting policy election available to non-public organizations to utilize a risk-free borrowing rate, which is aligned with the lease term at the lease commencement date.

Future lease payments may include fixed rent escalation clauses or payments that depend on an index (such as the consumer price index), which is initially measured using the index or rate at lease commencement. Subsequent changes of an index and other periodic market-rate adjustments to base rent are recorded in variable lease expense in the period incurred. Residual value guarantees or payments for terminating the lease are included in the lease payments only when it is probable they will be incurred.

The Organization has made an accounting policy election to account for lease and non-lease components in its contracts as a single lease component for its real estate, vehicle, and equipment asset classes. The non-lease components typically represent additional services transferred to the Organization, such as common area maintenance for real estate, which are variable in nature and recorded in variable lease expense in the period incurred.

For operating leases, lease expense for lease payments is recognized on a straight line basis over the lease term. For finance leases, lease expense includes amortization expense of the ROU asset recognized on a straight line basis over the lease term and interest expense recognized on the finance lease liability. ROU assets are assessed for impairment in accordance with the Company's long-lived asset policy.

The Organization reassesses lease classification and remeasures right-of-use assets and lease liabilities when a lease is modified and that modification is not accounted for as a separate new lease or upon certain other events that require reassessment in accordance with ASC 842.

# Community-Word Project, Inc.

## Notes to Financial Statements

Years Ended June 30, 2025 and 2024

### Note 1 - Summary of Significant Accounting Policies - Continued

#### *n. Leases - Continued*

Operating and finance leases are included in lease ROU assets and current and noncurrent operating and finance lease liabilities on the accompanying consolidated balance sheets as of June 30, 2025 and 2024.

#### *o. Subsequent Events*

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which is January 22, 2026.

### Note 2 - Liquidity and Availability

The following reflects the Organization's financial assets as of the statement of financial position date, reduced by amounts not available for general use because of donor-imposed restrictions within one year of the statement of financial position date. Amounts not available include funds restricted for program use and amounts that are perpetually restricted in nature.

	June 30,

Restricted by donor with purpose restrictions for programs	<u>355,000</u>	<u>107,000</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 920,487</u>	<u>\$ 797,420</u>

The Organization's practice is to manage financial assets to be available for its general expenditures, liabilities, and other obligations. In the event of unanticipated liquidity need, the Organization could also draw upon its available uncollateralized revolving demand note with TD Bank.

# Community-Word Project, Inc.

## Notes to Financial Statements

Years Ended June 30, 2025 and 2024

### Note 3 - Investments at Fair Value

The Organization applies ASC Topic 820 for fair value measurements and disclosures when measuring fair value.

Fair values of assets measured are summarized below:

	June 30, 2025			
	Total	Level 1	Level 2	Level 3
Equity securities	\$ 1,027	\$ 1,027	\$ -	\$ -
Total investments	\$ 1,027	\$ 1,027	\$ -	\$ -
	June 30, 2024			
	Total	Level 1	Level 2	Level 3
Equity securities	\$ -	\$ -	\$ -	\$ -
Total investments	\$ -	\$ -	\$ -	\$ -

The fair market value of the investments at June 30, 2025 is \$1,027, the cost of the investments is \$972, and the unrealized gain at June 30, 2025 is \$55.

### Note 4 - Concentration of Credit Risk

Financial instruments that potentially subject CWP to significant concentrations of credit risk consist of cash and cash equivalents on deposit with financial institutions, which from time to time may exceed the Federal Deposit Insurance Corporation ("FDIC") limit.

### Note 5 - Contributions Receivable

Contributions receivable that are expected to be collected within one year are recorded at their net realizable value. Contributions receivable that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. There are no contributions receivables expected to be collected beyond one year for the year ended June 30, 2024.

Contributions are expected to be collected, as of June 30, 2025 and 2024, are as follows:

	June 30,	
	2025	2024
One year or less	\$ 472,500	\$ 193,000

# Community-Word Project, Inc.

## Notes to Financial Statements

Years Ended June 30, 2025 and 2024

### Note 6 - Property and Equipment

Property and equipment are comprised of the following:

	June 30,	
	2025	2024
Computer equipment	\$ 19,099	\$ 19,101
Software	59,500	59,500
	<u>78,599</u>	<u>78,601</u>
Less accumulated depreciation	<u>77,688</u>	<u>68,140</u>
Property and equipment, net	<u>\$ 911</u>	<u>\$ 10,461</u>

Depreciation expense was \$9,550 and \$22,235 for the years ended June 30, 2025 and 2024, respectively.

### Note 7 - Leases

The Organization leases real estate, including other locations, and equipment under operating lease agreements that have initial terms of five years. Some leases include one or more options to renew, generally at the Organization's sole discretion, with renewal terms that can extend the lease term up to five years. In addition, certain leases contain termination options, where the rights to terminate are held by either the Organization, the lessor, or both parties. These options to extend or terminate a lease are included in the lease terms when it is reasonably certain that the Organization will exercise that option. The Organization's operating leases generally do not contain any material restrictive covenants or residual value guarantees.

Operating lease cost and sub-lease income is recognized on a straight-line basis over the lease term. Finance lease cost is recognized as a combination of the amortization expense for the ROU assets and interest expense for the outstanding lease liabilities, and results in a front-loaded expense pattern over the lease term.

Supplemental statement of financial position information related to leases were as follows:

Operating leases	
Operating lease ROU assets	<u>\$ 35,879</u>
Operating lease liabilities, current	\$ 39,253
Operating lease liabilities, non-current	-
Total operating lease liabilities	<u>\$ 39,253</u>

Supplemental statement of activities information related to leases were as follows:

Operating lease cost	<u>\$ 54,345</u>
Total lease cost	<u>\$ 54,345</u>

# Community-Word Project, Inc.

## Notes to Financial Statements

Years Ended June 30, 2025 and 2024

### Note 7 - Leases - Continued

Supplemental cash flow information related to leases were as follows:

Cash paid for amounts included in measurement of lease liabilities	
Operating cash outflows - payments on operating leases	\$ 58,350

Average lease term and discount rate as of June 30, 2023 was as follows:

Weighted-average remaining lease term	
Operating leases	0.67
Weighted-average discount rate	
Operating leases	2.85%

The aggregate future lease payments for operating leases as of June 30, 2024 were as follows:

		Operating Leases
Future lease payments		
2026	\$	39,604
Total lease payments		39,604
Less imputed interest		(351)
Total present value of lease liabilities	\$	39,253

### Note 8 - Net Assets with Donor Restrictions

Net assets with donor restrictions as of June 30, are restricted for the following purposes:

	June 30,	
	2025	2024
TAIR	\$ -	\$ 6,000
Collaborative Research: DTI	-	3,000
Evaluation Protocol Development	-	3,000
Time restriction FY 25 - Teaching Artists Project	-	15,000
Time restriction FY 25 - Collaborative Arts Residency Program	-	40,000
Time restriction FY 26 - Teaching Artists Project	50,000	-
Time restriction FY 26 - Collaborative Arts Residency Program	200,000	40,000
Time restriction FY 27 - Collaborative Arts Residency Program	105,000	-
Total	\$ 355,000	\$ 107,000

Net assets released from restrictions were as follows:

	Years Ended June 30,	
	2025	2024
Net assets released	\$ 67,000	\$ 98,000

# Community-Word Project, Inc.

## Notes to Financial Statements

Years Ended June 30, 2025 and 2024

### Note 9 - Revolving Demand Note

The Organization has a \$150,000 uncollateralized revolving demand note with TD Bank. The note carries an interest rate of prime plus 2.49%, which was 9.99% at June 30, 2025, and is payable on demand. The interest rate was prime plus 2.24%, which was 10.74% at June 30, 2024. There was no outstanding balance as of June 30, 2025 or 2024.

### Note 10 - Contributions

CWP received contributions from various resources as follows:

	Years Ended June 30,	
	2025	2024
Foundations	\$ 771,500	\$ 335,500
Individuals	299,196	284,526
Corporations/corporate foundations	174,625	174,597
In-kind donations	250	3,059
Total	<u>\$ 1,245,571</u>	<u>\$ 797,682</u>
